

## Model United Nations Club

March 8, 2011

Dear Parents of students attending BEIMUN,

The students are ready to leave for Beijing! This letter includes last minute reminders and information about some travel fees. I am excited that the students have so much enthusiasm and dedication, and I want to be certain that they have the best experience possible.

Please note the following important documents:

- The enclosed Code of Conduct and Overnight Field Trip Permission Slip must be submitted to Mr. Robinson by Thursday morning.
- Please be certain that students bring their passport by Thursday.
- This letter and all forms can be found on the parent information page of the HIS MUN Club wiki: <http://munhz.wikispaces.com/Parent+Letters>

These travel fees must be submitted by the students, preferably at the start of the trip:

- 100 RMB fee for the shuttle bus transportation in Beijing
- 200 RMB fee for evening show on Friday night.

The addition of an evening show was a decision made this week, and I believe it will make a nice addition to the events on this trip.

A detailed daily schedule is found on the back of this form.

Mr. Stephen Bailey is really looking forward to traveling with the group. Our students have never disappointed us at MUN conferences! I am also anticipating a great time when I join the group on Friday and Saturday.

Here is a philosophical statement about behavior expectations on this trip:

Participating in a large, international MUN conference is the best way to learn about debate skills, resolution writing, and parliamentary procedure. The conference also presents an excellent opportunity for participants to meet other young people who share their interests and concerns. Many professionals speak fondly of their time in MUN and of the connections they made through their participation. While socializing and networking are encouraged, these must happen in the context of healthy, safe trip. Students must devote themselves fully to the conference. They must eat well and sleep well. A school trip is an extension of school time. There should be no difference between a student's behavior at school and on a trip.

Thank you again for supporting your child's attendance to the BEIMUN conference.

Sincerely,

Thomas Robinson  
HIS MUN Coordinator  
135-6884-4501
